### **Share the Road**

Whether it is the warmer temperatures or the sky-rocketing gas prices...motorcyclists have taken to the roads across Delaware. That's why OHS is reminding everyone of the importance for motorcyclists to ride safe and for motorists to share the road with them. When we look out for each other, we all arrive alive.

- **If you are a motorist** – Share the road by being alert for those riding motorcycles. Give them proper space and passing room.
- **If you are the motorcyclist** – Ride Safe by always wearing appropriate safety gear, never pass between vehicles or on the shoulder, and never ride side by side with another motorcyclist in the same lane.

Riding safe and sharing the road is a responsibility that you owe to yourself and others. For more information on this and other traffic safety programs, go to [www.ohs.delaware.gov](http://www.ohs.delaware.gov).
