

# Fast isn't always a good idea.

Let's face it: Driving fast doesn't get you anywhere except in trouble. When you speed, you're subject to fines, points on your record or worse—you could injure yourself or someone else. Delaware law enforcement is on the lookout for speeding drivers. So before you think fast, think of the consequences. **To learn more, take your time and head over to [AggressiveDrivingDE.com](http://AggressiveDrivingDE.com).**
