

YOU CAN STILL BE THEIR BIGGEST PROTECTOR

TALK TO YOUR TEEN ABOUT DRIVING SAFELY.

Early and frequent conversations can create a safe and responsible driver for life — and let you be there to protect them, even when you can't be. Give them suggestions like:

**DRIVE SOBER, PERIOD.
YOU CAN ALWAYS
ASK ME FOR A RIDE.**

**ASK YOUR PASSENGERS TO CHILL
IF THEY'RE DISTRACTING YOU.**

**A CRASH CAN HAPPEN IN
A SPLIT SECOND — TEXT
WHEN YOU GET THERE.**

**MUSIC CAN BE
DISTRACTING. TURN IT
DOWN, SO YOU CAN FOCUS.**

**YOU HAVE NO REASON
NOT TO BUCKLE UP.**

**TICKETS STINK, BUT
CRASHES ARE EVEN
WORSE. SLOW DOWN.**
